What to know about Reduced-Fare OMNY

What is Reduced-Fare OMNY?

The Reduced-Fare OMNY Card is replacing MetroCard, which will no longer be sold as of December 31, 2025. The OMNY Card works just like a MetroCard; the only difference is that you tap to pay instead of swiping.

You can apply for a Reduced-Fare OMNY Card in person at one of our Customer Service Centers located in select subway stations or at a mobile sales vehicle location. To apply by mail, call 511 to request an application or download one from the MTA website. Mail applications must include a passport-style photograph. Seniors must include a photocopy of a valid ID (e.g., driver's license, passport, or Medicare card). Individuals with disabilities must include proof of qualifying disability and a statement of disability certification completed by a physician. Mail completed application and all supporting documents to:

MTA New York City Transit
Attn: Reduced Fare Program
130 Livingston Street
Brooklyn, NY 11201-9625

You can reload your OMNY Card using cash, credit, or debit at vending machines in subway stations, at stores near you like Walgreens or CVS, or online with a free OMNY account (omny.info).

What are the benefits of the Reduced-Fare OMNY Card?

If you pay for 12 trips with your OMNY Card in seven days, the rest of your trips in that seven-day period are free.

You can link your card to your free OMNY account online and check your balance, track your travel, and set up automatic reloads.
